

## SMITH'S GREEN MOUNTAIN RENOVATOR!

A SURE CURE FOR  
Scrofula, Erysipelas, Tumors, Salt Rheum,  
Fever Sores, Scald Head, White Swellings,  
Heart Disease, Ulcerations of the  
Lungs and Liver, and all Ulcer-  
ous, Cutaneous, and Can-  
cerous Affections, and  
diseases arising  
from an inju-  
dicious use  
of Mer-  
cury.

Persons afflicted with the above diseases and  
having no confidence in the efficacy of this  
medicine, can make an arrangement with the  
Proprietor,

"To be Cured or NO PAY!"

In Dyspepsia, Bilious Complaint, Costiveness,  
Diarrhea and Dysentery, it has NO EQUAL,  
curing the Diseases quickly with a few doses,  
by removing all irritating secretions and inflam-  
matory tendencies, and giving the stomach and  
bowels a natural, healthy tone.

This medicine has been used over 14 years,  
yet it is unknown in many parts of the State,  
from the fact that it has never been advertised.  
The Proprietor never intended making it  
for general use, but at the urgent request of Physi-  
cians who have watched its effect in severe  
chronic cases, and friends and others who have  
recovered by its use from diseases that appeared  
hopeless, he will now furnish it to Druggists  
and Dealers throughout the State.

A Circular containing certificates of the  
most remarkable cures ever effected, from Physi-  
cians, Ministers and others of the highest  
standing in the different towns where used, will  
be furnished by dealers FREE, or by addressing  
SILAS SMITH,  
Sole Manufacturer and Proprietor,  
Sundown, East Georgia, Vermont.

### GREAT IMPROVEMENT IN DENTISTRY.

The attention of the public is called to a great  
discovery in Dentistry.

### THE GREATEST ADVANCE STEP EVER MADE IN THE ART.

The main difficulty in wearing artificial teeth is,  
they do not hold in their place firmly enough,  
and add to this the annoyance of food getting  
under the plate while eating. I have discovered  
a method of so constructing the plate on  
which the teeth are set that they will not start  
or drop while eating or speaking, neither will  
any particles of food get under the plate, no  
matter what the condition of the mouth is,  
which is not true of any method hitherto used.  
I have secured Letters Patent for the United  
States, England and France.

The improvement is not in material, but in  
the construction, which cures the atmospheric  
pressure on the entire plate.  
I have sold the exclusive of said improvement  
to Dr. L. Gilman, to wit, the Counties of Frank-  
lin, Washington, Chittenden, Lamoille and  
Grand Isle. Those wishing to avail themselves  
of such improvement, will call on

Dr. L. GILMAN,  
ST. ALBANS, VERMONT.  
November 11, 1867. N. T. FOLSOM.  
191-47

### POLAND'S PLANTAIN OINTMENT.
